

## Directions to 7 Church Street Luxury Guest House

*Montagu, Western Cape, South Africa*

### A. From CAPE TOWN Via PAARL along the N1:

This is the fastest route from Cape Town if coming from the City, Northern Suburbs and follows via Paarl, Du Toitskloof Pass, either by Toll Tunnel (fastest) or by scenic drive over the pass, (R101A save R25.00) onto Worcester.

On approaching Worcester, take 2nd turn-off to the right into Worcester which is after the casino on the left and shopping mall on the right, as one avoids all the traffic lights in the Main Road. Follow road over train bridge, through 1 traffic light and turn left into High Street at the second traffic light bearing right as at the next traffic light it's the turn-off to the right for the Robertson/ Ashton/Montagu road and follow the road through these towns to Montagu and once in Montagu take the 3rd turn-off to the left which is Church Street and we are half-way up the road on the left. 7 Church Street does have a sign on that corner.

### A1. From Stellenbosch via Franschhoek:

A beautiful and scenic drive: leave Stellenbosch in direction Franschhoek, travelling over Hellshoogte pass. Drive over Franschhoek pass on the R45 to Villiersdorp and on the R43 towards Worcester. Right 10km before Worcester signed Robertson/Over Hex, Take the R60 to Robertson, then Ashton and into Montagu.

### B. From CAPE TOWN Via SIR LOWRY'S PASS along N2:

This route is advisable when guests drive from the Cape Town International Airport directly out our way as it is easier to get onto the N2 than the N1 from there. Also if guests stay anywhere from Southern Suburbs to False Bay Coast it is the quickest.

The first major town along this route is, Somerset West, which you by-pass and carry on over the Sir Lowry's Pass through Elgin/ Grabouw over the Houw Hoek Pass towards Caledon, through to Caledon, Riviersonderend, (watch for speed traps) and then at a small place called Stormsvlei, turn left and take the route through Bonnievale, Left at T Junction and right signed Ashton, Montagu 1km later which eventually joins up with the R60 road that comes from Swellendam, turn left for 7kms and follow till another T-junction faces you and turn right to Montagu.

### C. Route to MONTAGU from PORT ELIZABETH & GARDEN ROUTE:

This route takes you from Port Elizabeth through Jeffrey's Bay, Plettenberg Bay via the Toll Road (fastest) or Nature's Valley (scenic) to Knysna, Wilderness and George.

We recommend the use of the N12 via the Outeniqua Pass to Oudtshoorn and the scenic Route 62 from there through Calitzdorp, Ladismith, and Barrydale to Montagu.

Once in Montagu, take the 5th road, Church Street, to your right and you will see the big white Church at the top of the road and 7 Church Street is half way up the road on the left hand side.

Alternatively, you can take the N2 from Wilderness via Mossel Bay, Albertinia, Riversdale, Heidelberg (The quickest way is a dirt road 17km long to Barrydale-but, this depends on your transport and driving restrictions from the hire company-see next paragraph) and turn off at Swellendam, – following the R60 to Ashton, Montagu and taking the 3rd road to the left which is Church Street and we are situated half way up the road on the left hand side.

Another scenic route would be to take the road from Heidelberg, turning off the N2 following the signs to Suurbraak, Barrydale, via the Tradouw Pass which is one of the prettiest passes in our area, joining the scenic Route 62 at Barrydale again and once in Montagu taking the 5th road to the right and you are in Church Street where we are situated on the left hand side.

### D. Route to MONTAGU – from N1 north, i.e. GAUTENG direction:

Follow the N1 down to Beaufort West, Laingsburg, Touws River. Approx.30km outside Touws River, there is a turn-off to the left (R318) that will lead you over the Koo Valley and Burgers Pass to Montagu.

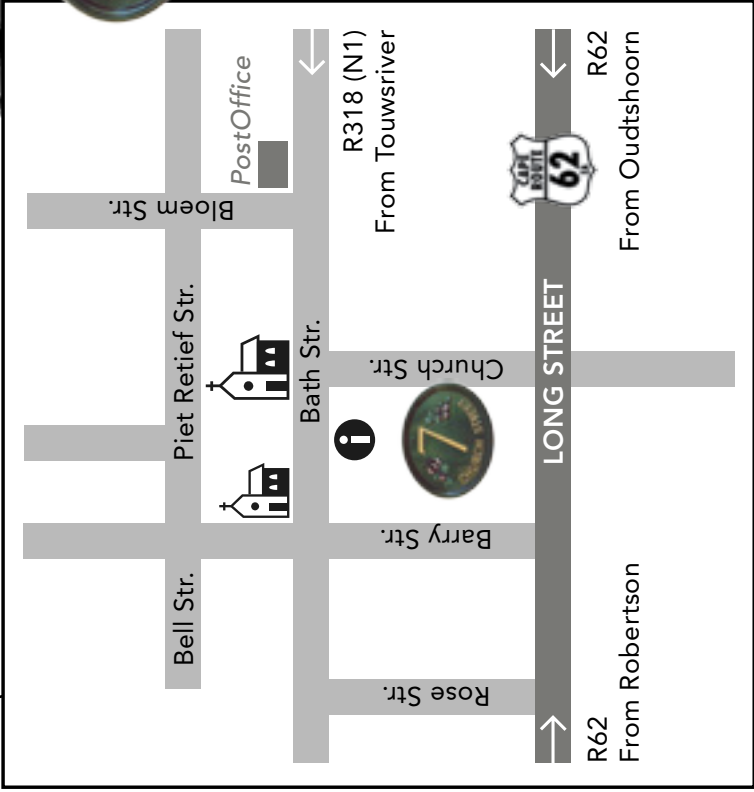

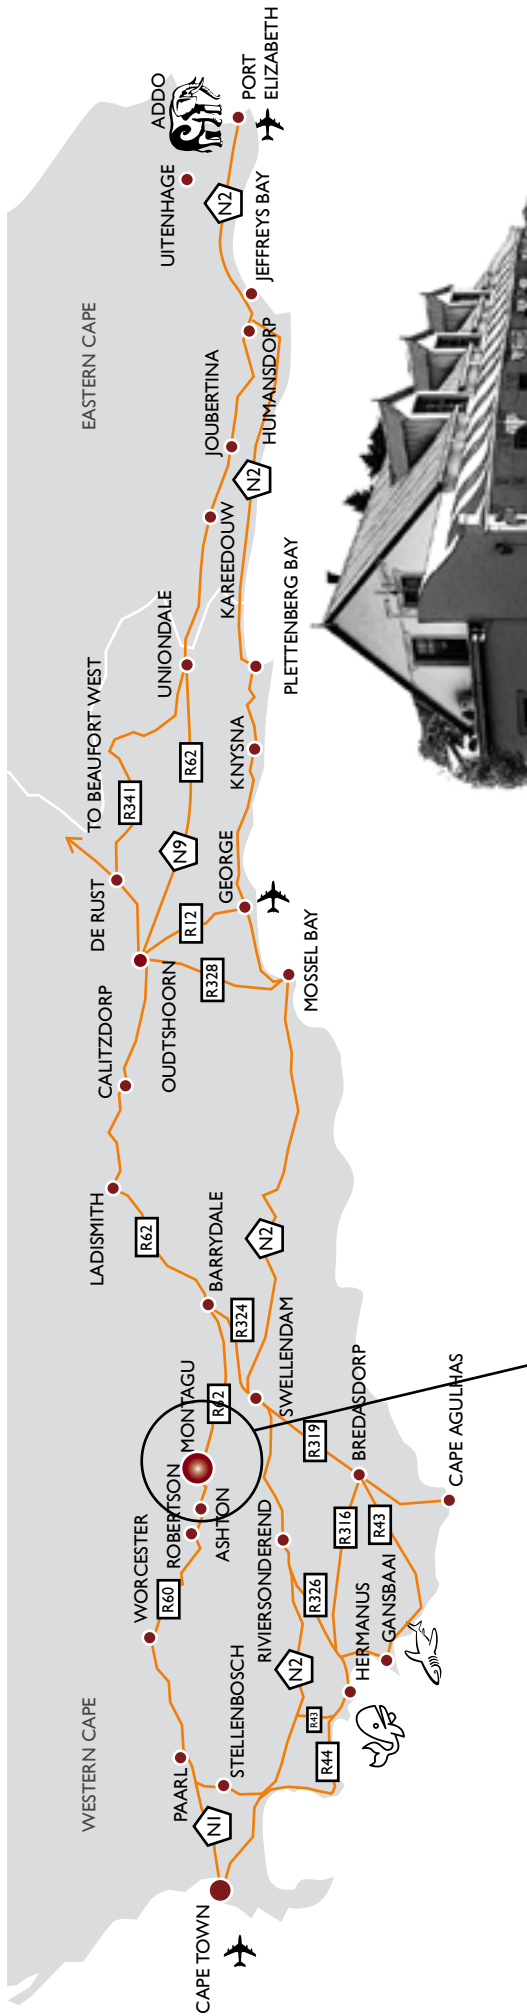

Arriving in Montagu, just follow the main road (Bath Street) through 4 stop streets until you are next to the big white Church on the right. The next road to the left is Church Street where we are situated on the right hand side.

### E. Route to MONTAGU – from N1 north, i.e. GAUTENG direction:

Follow the N1 down to Beaufort West, Just past Beaufort West take N12 to De Rust/Oudtshoorn then travel via the Meiringspoort Pass to De Rust, Oudtshoorn and the scenic Route 62 from there through Calitzdorp, Ladismith, and Barrydale to Montagu.

Once in Montagu, take the 5th road, Church Street, to your right and you will see the big white Church at the top of the road and 7 Church Street is half way up the road on the left hand side.
